Introduction

- 1.1 Planning law requires that planning applications must be determined in accordance with the statutory development plan unless material considerations indicate otherwise.
- 1.2 Local planning authorities must prepare an up-to-date Local Plan for their area. To keep local communities and other stakeholders informed they must also prepare, maintain and publicise an up-to-date timetable for producing a Local Plan. This information is contained within the Local Development Scheme (LDS).
- 1.3 The LDS must specify, amongst other things:
 - The documents that will be prepared to form the statutory development plan;
 - What will be included in each document and the geographic area to which it relates;
 - Whether the documents are to be prepared jointly with one or more other local planning authorities; and
 - The timetable for the preparation and revision of documents.
- 1.4 The Local Development Scheme sets out the timetable for replacing the Local Plan Core Strategy (2013) and Delivery DPD (2019).

The Blaby District Local Development Scheme

- 2.1 Local Planning Authorities must prepare an up-to-date Local Plan for their area and maintain a Local Development Scheme (LDS).
- 2.2 The LDS is a public statement of the Council's intentions in terms of preparing a new Local Plan. It helps local communities and other interested parties to keep track of progress.
- 2.3 This LDS covers the period up to 2026 and replaces the version approved in July 2023.
- 2.4 It is not necessary for the Council to include documents in its LDS which are not Development Plan Documents (DPDs) such as Supplementary Planning Documents (SPDs). This gives the Council greater flexibility to respond to changing circumstances. Also, the LDS does not include Neighbourhood Development Plans as the responsibility for preparing these rests with the local community.

- 2.5 The LDS will be subject to annual monitoring. The Authority Monitoring Report (AMR) will assess whether the milestones set out in the LDS are being met. This will inform whether any further review of the LDS is required.

The Current Development Plan

- 3.1 The current Development Plan includes the Local Plan, Minerals and Waste Local Plan and Neighbourhood Plans for the area. In Blaby District, this currently includes:
- Blaby District Local Plan Core Strategy (2013);
 - Blaby District Local Plan Delivery Development Plan Document (DPD) (2019);
 - Leicestershire Minerals and Waste Local Plan up to 2031 (2019);
 - Blaby Neighbourhood Plan (2018)
 - Cosby Neighbourhood Plan (2022)
 - Leicester Forest East Neighbourhood Plan (2022)
 - Glenfield Neighbourhood Plan (2023)
 - Fosse Villages Neighbourhood Plan (2024)
- 3.2 The current Blaby Local Plan consists of the Core Strategy (2013) and the Delivery Development Plan Document (2019). The Core Strategy includes the vision, strategic objectives and core policies of the Local Plan. The Delivery DPD, was adopted in 2019 and includes site allocations and development management policies. The Local Plan is accompanied by a Policies Map which illustrates the policies and proposals of the Core Strategy and Delivery DPD.
- 3.3 The Minerals and Waste Local Plans are the responsibility of Leicestershire County Council. The Leicestershire Minerals and Waste Local Plan up to 2031 was adopted in 2019.
- 3.4 Supplementary Planning Documents (SPDs) provide additional information on policies and proposals in the Local Plan and are material considerations in the determination of planning applications. SPDs are not subject to independent examination and do not form part of the statutory development plan. The

following Supplementary Planning Documents (SPD) are currently relevant for the District:

- Planning Obligations and Developer Contributions SPD (November 2024)
- Housing Mix and Affordable Housing SPD (July 2013)

- 3.5 Neighbourhood Plans were introduced by the Localism Act 2011. Neighbourhood planning gives communities direct power to develop a shared vision for their neighbourhood and shape the development and growth of their local area. Neighbourhood Plans form part of the development plan for the area.
- 3.6 At February 2025, a total of five Neighbourhood Plans were 'made' in the District of Blaby. One remaining group is continuing to produce a Neighbourhood Plan for Elvesthorpe.

Updating the LDS

- 4.1 In December 2024, the Government published an updated National Planning Policy Framework (NPPF) to support its target of delivering 370,000 new homes a year during the life of this Parliament. This new NPPF took effect immediately for decision making but there is a transition period to 12 March 2025 for plan making to proceed under the former NPPF (2023) if a plan is at either Regulation 19 stage or is being submitted for examination. Blaby's new Local Plan will be produced in line with the new NPPF.
- 4.2 The publication of the new NPPF was also accompanied by a requirement for local planning authorities to produce an up-to-date LDS by 6 March 2025. Blaby's LDS is therefore being updated to meet this requirement.

Supporting Statement

- 5.1 This statement explains the context for preparing the Local Plan as set out in the LDS. It also explains how the Council will manage resources during the preparation and assesses risks to the production of the Local Plan.

District Profile

- 5.2 The District of Blaby measures approximately 50 square miles in area and contains a population of 103,271 people (NOMIS 2021). The District contains both rural areas (mainly to the south of the District) and more urban areas to

the north including a number of large villages, which are part of the Principal Urban Area of Leicester. The District has only one town centre (Blaby) but hosts a large out of town retail facility (Fosse Park) which attracts visitors from the wider region.

Links to Other Strategies and Plans

- 5.3 When preparing the new Local Plan, internal and external plans and strategies with spatial implications for the District will be taken into account. This will ensure the strategic priorities contained in those plans and strategies, relating to the use and development of land within the District of Blaby, are integrated into the Local Plan. Figure 1 identifies the main documents that will be considered when preparing the new Local Plan.

Figure 1 – Links to Other Plans and Strategies

Joint Working

- 5.4 The Council has a legal requirement to engage with certain ‘Prescribed Bodies’ under the ‘Duty to Cooperate’ when preparing Local Plans which address strategic, cross-boundary matters. This includes engagement with other neighbouring and HMA Local Planning Authorities and other bodies, constructively, actively and on an ongoing basis.
- 5.5 Discussions have been ongoing with other Leicester and Leicestershire Local Planning Authorities and a number of joint studies have been prepared. This will continue as the plan evolves. Effective mechanisms are in place in Leicester and Leicestershire to work on strategic cross boundary planning matters. An officer and member structure is in place and the authorities in Leicester and Leicestershire have prepared a Strategic Growth Plan to consider longer term planning up to 2050.
- 5.6 At present there are no plans to prepare any joint Local Plans with other Local Planning Authorities. However, the following Statements of Common Ground been prepared and signed by Council, as a written record of the progress made by, and agreement between, the authorities during the process of planning for strategic, cross-boundary matters:
- Leicester & Leicestershire Statement of Common Ground Relating to Housing and Employment Land Needs, signed by Council 19 July 2023

- South Leicestershire Local Plan Making Statement of Common Ground and Leicester & Leicestershire Authorities, signed by council 14 December 2021
- Statement of Common Ground relating to Warehousing & Logistics Need signed by council 14 December 2021

Resources

- 5.7 The Development Strategy Team will have primary responsibility for preparing the Local Plan.
- 5.8 Consultants may be engaged on specific projects where there is a lack of expertise or capacity within the District Council.

Programme Management

- 5.9 The Local Plan process will be project managed by the Development Strategy Manager who will report on a regular basis to the Group Manager. The Council's Senior Leadership Team and the Portfolio Holder for 'Planning, Transformation, and ICT' will be provided with progress reports as appropriate.

Council Decision-Making Procedures

- 5.10 The new Local Plan will be considered by appropriate Members at each stage. Full Council agreement will be required at Publication and Adoption stages.

Risk Assessment

- 5.11 An assessment has been carried out to identify factors which could impact on the delivery of the work programme set out in the LDS. The risks and actions to manage these risks are identified in Table 1.

Table 1 – Risks, Impacts and Management Actions

Evidence Base

- 5.12 The Council will undertake and commission studies, both independently and in partnership, which will contribute to the 'evidence base' for its Local Plan. These will be made available on the Council's website.

Monitoring

- 5.13 The Council monitors, on an annual basis, how effective the policies and proposals in the Local Plan are in terms of meeting the Local Plan objectives. An Authority Monitoring Report (AMR) is prepared for this purpose.
- 5.14 The AMR will also give information about whether the Council is meeting the milestones set out in the LDS for preparing the new Local Plan. As a result, it may become necessary to revise the LDS in the future.

Appendix D: Glossary

Authority Monitoring Report (AMR)

A report that reviews the Local Plan progress compared to the targets and milestones for Local Plan preparation set out in the LDS, as well as reviewing the effectiveness of policies within the Local Plan against targets set out in a monitoring framework.

Development Plan Document (DPD)

A Local Development Document that carries Development Plan status and is subject to procedures of community involvement, consultation and independent examination. It contains policies against which planning applications will be considered.

Local Development Documents (LDDs)

The set of documents which taken as a whole set out the development plan policies in force in the area.

Local Development Scheme (LDS)

The Local Development Scheme is a document which sets out the Local Planning Authority's programme to produce Local Development Documents.

National Planning Policy Framework (NPPF)

The National Planning Policy Framework sets out Government's planning policies for England and how these are expected to be applied.

Planning Inspectorate (PINS)

The Planning Inspectorate is an agency of the Ministry of Housing, Communities and Local Government. It deals with planning appeals, national infrastructure planning applications, examinations of local plans and other planning-related and specialist casework.

Planning Practice Guidance

The National Planning Practice Guidance adds further context to the National Planning Policy Framework (NPPF) on specific issues and is intended to be read in conjunction with the NPPF.

Policies Map

This will illustrate, on an Ordnance Survey Base Map, all the policies and proposals contained in the Local Plan. This document was previously known as the Proposals Map.

Standard Method

The standard method identifies the minimum number of homes that a local authority should plan for in an area. It is determined through a formula contained within the Planning Practice Guidance.

Statement of Community Involvement (SCI)

This statement tells communities how and when they can be involved in the preparation of Local Plans. It shows how the Local Planning Authority plans will engage with communities when preparing Local Development Documents. The document also covers community involvement in the determination of planning applications.

Strategic Environmental Assessment (SEA)

Assessment of the environmental impacts of the policies and proposals contained within the Local Plan. An SEA is required only when a plan is likely to have a significant environmental effect.

Supplementary Planning Document (SPD)

A Local Development Document that does not carry Development Plan status but elaborates on policies and proposals in Development Plan Documents.

Sustainability Appraisal (SA)

An SA must be carried out prior to plans being adopted. It involves an assessment of the social, economic and environmental implications of the plans and policies in the Local Plan to ensure that all decisions are made with the objective of sustainable development in mind. The SA can incorporate the requirements of the SEA.
